

June, 2023

The primary method of sending invoices to Valmet is e-invoicing.

The correct Valmet legal entity name and company identification number must be specified in all invoices to Valmet as shown in the left-hand column of the address list.

Only invoices with relevant attachments should be sent to the invoicing addresses, any other documents or materials will be ignored.

An invoice should be sent to Valmet only once, via one invoice channel.
