The following applies to this presentation, the oral presentation of the information in this presentation by Valmet Oyj ("Valmet" or the "Company") or any person on behalf of Valmet, and any question-and-answer session that follows the oral presentation (collectively, the "Information"). In accessing the Information, you agree to be bound by the following terms and conditions.

This presentation is to discuss Valmet’s Q2 2021 results. Securities laws in the United States and in other jurisdictions restrict Valmet from discussing or disclosing information with respect to the contemplated merger with Neles Corporation ("Neles"). Information regarding the contemplated merger can be found at www.valmet.com/merger. Until the completion of the merger Valmet and Neles will carry out their respective businesses as separate and independent companies. The information contained in this presentation concerns only Valmet.

The merger of Valmet and Neles and the merger consideration securities have not been and will not be registered under the U.S. Securities Act of 1933 (the "U.S. Securities Act"), and may not be offered, sold or delivered within or into the United States, except pursuant to an applicable exemption of, or in a transaction not subject to, the U.S. Securities Act.

The Information in this presentation is not directed to, or intended for distribution to or use by, any person or entity that is a citizen or resident of, or located in, any locality, state, country or other jurisdiction where such distribution or use would be contrary to law or regulation or which would require any registration or licensing within such jurisdiction and it does not constitute an offer of or an invitation by or on behalf of, Valmet, or any other person, to purchase any securities.

The Information contains forward-looking statements. All statements other than statements of historical fact included in the Information are forward-looking statements. Forward-looking statements give Valmet’s current expectations and projections relating to its financial condition, results of operations, plans, objectives, future performance and business. These statements may include, without limitation, any statements preceded by, followed by or including words such as "target," "believe," "expect," "aim," "intend," "may," "anticipate," "estimate," "plan," "project," "will," "can have," "likely," "should," "would," "could" and other words and terms of similar meaning or the negative thereof. Such forward-looking statements involve known and unknown risks, uncertainties and other important factors beyond Valmet’s control that could cause Valmet’s actual results, performance or achievements to be materially different from the expected results, performance or achievements expressed or implied by such forward-looking statements. Such forward-looking statements are based on numerous assumptions regarding Valmet’s present and future business strategies and the environment in which it will operate in the future.

The Information, including but not limited to forward-looking statements, applies only as of the date of this presentation and is not intended to give any assurances as to future results. Market data used in the Information not attributed to a specific source are estimates of the Company and have not been independently verified. Prospective investors are required to make their own independent investigations and appraisals of the business and financial condition of the Company before taking any investment decision with respect to securities of the Company.
