

Certificate of Product Compatibility

HollySys

Valmet Flow Control Oy

Products:

HollySys: HardWare : K Series; Software : MACS and HAMS

NelesTM: ND9000H、VG9000H、ND7000H、NDX H6/H7

Certification:

HoLLiAS Asset Management System (HAMS) has completed the compatibility tests of the NelesTM valve positioner ND9000H、VG9000H、ND7000H and NDX H6/H7 for the HART protocol. The HART compatibility tests of these four valve positioners with the HAMS system have passed.

Function	HAMS provides DD files of ND9000H、VG9000H、ND7000H and NDX H6/H7 instruments for the HART protocol, enabling functions such as remote parameter viewing, modification, and diagnosis.
Device Model	● ND9000H ● VG9000H ● ND7000H ● NDX H6/H7
Software Version	● HAMS V3.8.0 and above ● HOLLIAS_MACS V6.5.4 and above ● ND9000H DD: 000057\00e5\0402 ● VG9000H DD: 000057\57f1\0102 ● ND7000H DD: 000057\00de\0301 ● NDX H6/H7 DD: 000057\57a3\0502
